

Dear Valued Members,

It is my pleasure to offer you a new and exciting program for chamber members. It is a program designed to offer affordable pricing through Marco Office Supply as well as “give back” to your chamber. The program is run through our business in conjunction with AOPD (American Office Product Distributors).

Here's How the Program Works

- Notify a sales representative (myself) to set up a quick appointment at your place of business.
- I will take a look at your needs and set you up in our system with this exclusive contract.
You have the option to order online, fax in orders (we develop your own itemized form) or call into our main office and talk to a live customer service operator.
- Your order will be processed and delivered the next day; however the best news is, for every order we receive from your company we will forward 3.5% of the sale back to the Chamber.

For example, by the end of the month, if you ordered a \$100.00 worth of office supplies, \$3.50 goes directly to the chamber coffers. To simplify, let's say ten members sign up and each purchased \$100.00 for the month. That \$3.50 turns into \$35.00 per month. That \$35.00 per month is now \$420.00 for the year from just ten members!

Your chamber will be notified of the members that join and expenses will be tracked on the 15th of every month. A report will then be provided to your chamber. We just don't say it, we do it and track it. Imagine the possibilities for your chamber with a monthly cash flow to create programs and give backs to its members.

Bottom line, you are dealing locally - we are a member of the chamber and we have a personalized relationship with you as well as the chamber staff. We are thrilled to be a member and can't wait to begin servicing your company while supporting our incredibly active and enthusiastic chamber.

Cheers,

Gina Sisbarro
